2011 FDOT Construction Environmental Expo
Wednesday, April 20, 2011

Date:

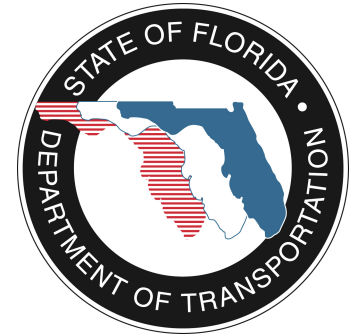

April 20, 2011

Time:

9:00 a.m. til 4:00 p.m.

Location:

Gainesville Operations Center
5301 NE 39th Ave
Gainesville, FL 32609

The Department is expecting a large number of vendors to display and present their specialized products. The Department has invited Contractors, Designers, Consultants, County Road Departments, Water Management Districts, Florida Department of Environmental Protection, Army Corp, and others to ensure that all environmental sectors are represented. The Expo Agenda will be mailed in a couple of weeks.

The Expo will be a great opportunity for all parties to meet-&-greet and preview some of the new products and Environmental Technologies for 2011. Throughout the day there will be presentations and information sharing by the attending agencies.

During the last hour of the Expo, the Department will have a Q/A session and discussion on environmental issues, policies, specifications, and other related topics.

As a reminder and encouragement to attend, the District Construction Engineer (Tim Ruelke) and District Construction Specialty Engineer (Michael Sandow) will follow-up by contacting many of you by phone. The Expo is a wonderful opportunity to see how we all fit into "THE ENVIRONMENTAL BIG PICTURE".

If you are able to participate in this Special Event, please RSVP to:
Emy Delgado mailto: emy.delgado@dot.state.fl.us

SEE YOU AT THE EXPO!!!

Thank you for all of the energy and expertise you bring. If you have any questions or comments please feel free to contact **Emy Delgado** at **(386)-961-7560**.
